Eligibility Questions

Are you a US citizen?

Have you completed an internship?

If so, when and where?

Are you currently a dermatology resident?

If so, were you in a resident in a specialty program? Please provide details.

If not a current resident, are you a practicing veterinarian with a demonstrated interest in dermatology?

Do you have a demonstrated interest in the study of ears?

Please provide short answer responses to the following questions

1. What interests you about the field of veterinary dermatology?
2. If applicable, please describe what interests you specifically about the study of ears.
3. Have you attended or given any dermatology seminars or written any papers on dermatology? If so, please elaborate.
4. Please explain how you treated one specific otologic case that interested you.
